

Our Purpose. Our Promise.

At Redfos, our mission, vision and values guide everything we do. They represent our commitment to quality, innovation and creating a healthier, safer world for every home and every community.

OUR MISSION

To manufacture innovative, safe and effective insecticide products that protect homes and workplaces from harmful pests while ensuring the highest standards of quality, reliability and customer satisfaction.

We are committed to delivering superior pest control solutions through advanced technology, responsible manufacturing and continuous innovation.

OUR VISION

To become a globally trusted insecticide brand, recognized for our innovation, quality and customer-centric approach.

We envision a world where every home and every environment is protected from pests, creating a safer and healthier future for generations to come.

OUR CORE VALUES

QUALITY FIRST

We never compromise on quality. Every product is manufactured with precision and tested for excellence.

INNOVATION

We continuously innovate to develop advanced and effective solutions for modern pest challenges.

SAFETY

The safety of our customers, employees and environment is at the heart of every decision we make.

INTEGRITY

We believe in honesty, transparency and ethical business practices in all our relationships.

CUSTOMER FOCUS

Our customers' trust inspires us to deliver products and services that exceed their expectations.

SUSTAINABILITY

We are committed to responsible manufacturing that protects our planet and promotes sustainability.

CONTINUOUS IMPROVEMENT

We strive for excellence through learning, improving and adapting to deliver better every day.

TEAMWORK

Our success is built on the strength of our team, collaboration and shared goals.
